3. What are the top 3 positions you feel best fit you for the summer? Please comment on any experience or certifications.

4. What makes you stand out among your peers?

5. Our Summer Staff handbook states Horn Creek's position from restraining from drinking alcohol, smoking and tobacco use, using illegal drugs and extra marital sex. Do you have any reason that you feel like you could not comply with these rules for the time spent at Horn Creek? If so, please explain.

6. Availability: When is your last day of school? When is your first day of school in August?

7. If you were hired for summer staff do you have any conflicts throughout the summer that would cause you to be absent for a period of time? We give first priority to staff that can be at Horn Creek for the entire summer.
